The Director of Animal Husbandry
Himachal Pradesh, Shimla-171005.

Dated: Shimla-171002, the

12.12.2023.

Subject:

Instructions regarding disbursement of retirement dues & payment of interest thereof.

Sir,

I am directed to refer to the subject cited above and to say that in general, when departmental proceedings initiated against an officer/official (near to his retirement) or after retirement, his retiral benefits are withdrawn by the DDO and kept in the shape of FDR. On conclusion of departmental proceedings, retiral benefits are released to the charged/exonerated officer/official alongwith interest accrued, keeping in view the decision/outcome of proceedings. But in the case(s) of Animal Husbandry this procedure is not being followed. As a result the Government/Department has to pay huge sum amount as penal interest/interest to be accrued on retiral benefits.

Keeping in view the facts explained above, it is advised that in future, in such case(s) the retiral benefit may be withdrawn and be kept in shape of FDR so that penal interest/interest to be accrued on retiral benefits could be avoided.

Yours faithfully,

Jagtamba
